

Statewide Articulation Agreements

You can earn **FREE** college credits at SPC towards certain A.S. degree and certificate programs after completing courses at other state institutions. The Florida Department of Education oversees several [Statewide Career and Technical Education Articulation Agreements](#) for [Career Certificate](#) and [Applied Technology Diploma \(ATD\)](#) programs among Florida's educational institutions and colleges.

These agreements apply to SPC's programs for 2022–23 and are intended to be a minimum guarantee of articulated credit and do not preclude institutions from granting additional credit based on local agreements. You can also check the listing of [local Career Certificate programs at PTC](#) with articulations, to find additional opportunities.
