IMPORTANT STUDENT INFORMATION

ACADEMICS

Academics

Academic Calendar

There are many dates that are important for you to know, such as when classes begin, deadlines for withdrawing, dates of college holidays, and final exam schedules, to name a few. For the most up-to-date information, visit the online Academic Calendar at spcollege.edu/academic-calendar.

Accelerated Credit Options

SPC wants to help you finish your degree. You may bring in up to 45 college credits through your life experience, military training, industry certification, test credit, and approved articulation agreements recognized by the college. However, not all credits may apply to your specific program. Check with your advisor to learn more about each of these options.

Visit spcollege.edu/earn-free-college-credit

Career and Academic Advising

Career and Academic Advisors will help you get started by discussing your career and educational goals and will be available to guide you throughout your entire SPC experience. At SPC, advisors can help you with registration, course planning, degree program exploration, transfer information and more! To find your advisor, visit the Titan Hub. Your advisor will be located on the Academic Profile widget on the Titan Hub dashboard. Here, you can schedule an appointment with your advisor and email them. Have a quick question? Login to our Virtual Advising Center or walk in on campus for assistance. For more information, visit **spcollege.edu/advising**.

Computer Labs

Computer labs are available on campuses to meet your academic technology needs. Computers include Microsoft Office and other academic-related software. You must have a valid student ID, and, in most cases, an SPC student username and password to log on to a computer. You should also use a flash drive or cloud-based account to save your work. Find out more about locations and hours at spcollege.edu/computer-labs.

Enrollment Verifications

An enrollment verification is an official document verifying your enrollment status, attendance dates, and good academic standing. You can obtain up-to-date information on your enrollment status and

student loan notices online in the MySPC portal. You can:

- Download and print enrollment verification certificates for third parties
- Check when deferment notices were sent to your student lenders
- View your enrollment history
- View proofs of enrollment sent on your behalf to student service providers
- Access a list of your student loan holders
- Print good student discount certificates

To access the National Student Clearinghouse:

- · Log into your MySPC portal
- · Choose My Academic Status
- Select the Enrollment Verification option from the left-hand menu

Excess Hours Advisory Statement

Section 1009.286, Florida Statutes, establishes an "excess hour" surcharge for a student seeking a baccalaureate degree at a state university. It is critical that students, including those entering Florida colleges, are aware of the potential for additional course fees. "Excess hours" are defined as hours that go beyond 120% of the hours required for a baccalaureate degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 144 credit hours (120% x120).

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida college students intending to transfer to a state university should identify a major or "transfer program" early and be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

FloridaShines

FloridaShines offers an array of FREE online tools and resources designed to help students succeed in school, earn a college degree, and embark on a rewarding career. Sponsored by the Florida

ACADEMICS

Department of Education, FloridaShines is also the website where SPC students may apply to be transient students at another Florida public college or university. Visit **floridashines.org**.

Health Program Tutoring/New Initiative Program (NIP)

The New Initiative Program/Learning Support Center provides free tutoring to pre-health and health education students. Visit **spcollege.edu/ new-initiative-program**.

Honors Program

St. Petersburg College's Honors Program provides an exemplary education and an intellectual learning community that encourages our most talented and motivated students in creative and critical thinking and developing research and leadership skills. Consider enrolling in honors classes if you:

- Are a motivated student with a good academic record (3.5 GPA, score of 120 on the reading and writing sections of college placement test)
- Want to take academically challenging classes with other highly motivated students
- Want an honors distinction on your transcript

Honors scholarships are available for qualified applicants. Visit **spcollege.edu/honors-program**.

International Programs

The Center for International Programs (CIP) offers students international opportunities around the world, as well as across the college and community.

Study Abroad

Studying abroad is one of the most important experiences you can have. The experience allows for personal growth by changing perspectives and inviting tolerance for different cultures and peoples. It also provides you with the necessary skills to be competent global citizens in the 21st Century. Travel and earn college credit through numerous study abroad programs available through SPC and other colleges, universities, and organizations. Scholarships are available.

Visit stpe.co/studyabroad.

· International Events

You don't have to get on a plane to experience diverse cultures – they are all around us! CIP offers activities on and off campus that will transport students to another culture. For on-campus activities, see our International Events Calendar. For off-campus opportunities, see our GoGlocal Calendar!

Think Global; Act Local.

Both of these calendars can be found at spcollege.edu/international-programs.

Global Citizen Program

The Global Citizen Program (GCP) is designed to provide students with the knowledge, skills, and attitudes of a competent global citizen who is ready to live and work in a diverse world. The GCP includes curricular and extracurricular components that students complete alongside degree programs.

Get an edge up as you prepare to work in a diverse and global workforce! Visit **spcollege.edu/international-programs**.

International Student Services

International students bring intellectual and cultural diversity to our campuses. Students from around the world make SPC their home and provide opportunities for students, faculty, and staff to learn varying perspectives in the classroom and beyond. CIP supports international students to help them succeed academically and become integrated into campus life. Visit **stpe.co/intstudents**.

Learning Plan Tool

SPC offers an online planning tool designed to help you select classes that fulfill your degree requirements. This tool, often referred to as MyLearningPlan, will assist you in staying on track with your academic progress. We encourage you to explore our step-by-step tutorials for more information. Visit stpe.co/videotutorial.

Learning Management System – Canvas

Canvas is the learning management system used at St. Petersburg College to facilitate all online and hybrid/blended courses, as well as web-enhanced face-to-face or Live Online courses. Canvas provides a user-friendly and flexible online environment where students can interact with course materials, communicate with instructors and classmates, and access their coursework from any internet-connected device, including computers, tablets, and mobile devices.

ACADEMICS

To access Canvas, click **Titans Login** on the top right of the SPC homepage and log in using your SPC email address and password. This will take you to your **Titan Hub** dashboard. From there, you can select the Canvas widget or use the Canvas link in the left-side menu. Once logged in, your enrolled courses will appear on the Canvas Dashboard. A calendar with important college dates and announcements will be displayed in the middle of the page, along with a list of student resources. Also available in Canvas is the **Student Canvas Training** course. This training is designed to help students navigate Canvas and become familiar with its most commonly used tools. The course consists of five modules, each covering a key topic related to student success and effective use of online learning tools.

Library

Visit your campus library for resources, research and citation assistance, wireless access, study spaces, cloud-based copiers/printers, and technology use. You can check out materials or use any of the services our campus libraries provide by using your student ID. You can also use our online library and Ask A Librarian services to perform research or request assistance at your convenience. Plus, our partnership libraries on the Clearwater, St. Petersburg/Gibbs, and Seminole campuses offer the benefits of a public library and college library, all in one. Visit **spcollege.edu/campus-libraries**.

Online Classes

SPC offers a robust selection of online college courses and fully online programs. Most SPC programs can be completed 100% online. Online students have access to all student support services and the opportunity to participate in college activities either on-campus or online. Learn more about becoming an online student at **spcollege.edu/online.**

Residents Outside of Florida and Professional Licensure

St. Petersburg College is approved to offer online and in-person academic programs outside of the state of Florida through its participation in the National Council for State Authorization Reciprocity Agreement (NC-SARA). NC-SARA is a voluntary, regional approach to state oversight of postsecondary distance education. Institutions that

are a member of NC-SARA are authorized to provide online education to students from all SARA states. St. Petersburg College offers various programs designed to prepare students to sit for licensure in Florida. Licensure in other states may vary. Non-Florida residents should contact the licensing agency in the state they hope to be licensed in to determine whether or not the SPC program will fulfill these requirements, or the academic program of interest who can provide you with their contact information. SPC is unable to determine whether programs meet all requirements in any other state besides Florida.

Any student who feels that a person, institution, state, agency, or other organization or entity operating under the provisions of the SARA Policy Manual has violated the policies set forth in the SARA Policy Manual or of laws, standards or regulations incorporated in the SARA Policy Manual should file a complaint using the **College's Complaint Process**. If the outcome of the College's Complaint Process does not satisfy your need, then within two years of the incident about which the complaint is made, you can appeal the decision through the **Florida State Authorization Reciprocity Agreement** (FL-SARA).

Testing

Taking the College Placement Test (CPT) helps determine the appropriate reading, English, and math courses for you at SPC. This is not a pass/fail test; scores guide you to the right class level for your success. SAT, ACT, and Classic Learning Test (CLT) scores can be used instead of the CPT.

A CPT is required unless you:

- Entered ninth grade in a Florida public school in the 2003-04 school year or later and graduated with a standard high school diploma, or
- Are an active duty member of the U.S. military.

SPC offers free college placement tests (PERT, Accuplacer) for all incoming students. For testing locations, hours, distance testing, and preparation resources, visit **spcollege.edu/testing**.

Transient Students

At SPC, there are two types of transient students. The first type is an SPC student who wishes to remain degree-seeking at SPC but take a class at another college or university to accelerate degree

ACADEMICS/ACADEMIC POLICIES

completion. The second type is a student who is degree-seeking at another institution but wishes to take one or more classes at SPC. Information on both types of transient students and requirements and procedures for approval can be found at **spcollege.edu/transient-students**.

Transcripts

Your SPC transcript is the official, permanent academic record that includes the classes you have taken, grades earned for each class, honors, and degrees completed. Official transcripts may be ordered by selecting the "Transcripts" option from the QUICKLINKS on spcollege.edu. Current students may also order official transcripts in MySPC. Visit spcollege.edu/transcripts.

Transferring to SPC

If you attended another college or university and want to attend SPC, you are considered a transfer student. To be admitted to SPC, you must submit your official high school transcript as well as official transcripts from all regionally accredited colleges or universities you have previously attended. If you have earned an AS degree or higher from a regionally accredited institution, the requirement to submit an official high school transcript may be waived. It's very important that SPC receives all of your official transcripts within your first term of admission or re-admission, as it may impact your ability to enroll for subsequent terms. Students enrolled in a degree-seeking program are granted a one-term grace period to submit all official transcripts. Giving your complete educational history to SPC allows you to:

- · Receive credit for your previous work
- Avoid repeating courses you already successfully completed elsewhere
- · Simplify the registration process
- Save you time and money

Please note that limited-access programs may require receipt of all official transcripts for program admission, regardless of accreditation type.

Tutoring and Classroom Support - Free

The Learning Centers provide free on-site and online tutoring for writing, math, and science courses taught at SPC as well as computer assistance to help with software-enhanced coursework, Canvas navigation, and/or basic computer applications.

Make an appointment with our instructional support team at **spcollege.libcal.com** for optimal service. In addition, Brainfuse provides supplemental on-demand service during evenings, overnights, and weekends for free through Canvas. All of this support is available whether you are doing well in a class or just need some extra assistance. Visit **spcollege.edu/tutoring**.

Academic Policies

College Preparatory Courses

If your test scores indicate that some review is needed, you may be required to take college preparatory classes that do not count toward your degree. These courses teach skills in academic fundamentals, so you'll be ready to meet the challenge of college-level course work. Students who need college preparatory courses are required to take a College Success Skills course. Free tutoring also is available in the Learning Centers at each campus. For students who do not have SAT, ACT or Classic Learning Test (CLT) scores, the college offers placement tests (PERT, Accuplacer) free of charge. If you entered ninth grade in a Florida public school in the 2003-04 school year or later and graduated from a Florida public high school with a standard high school diploma or serve as an active duty member of the United States military, then you have choices regarding college preparatory courses. Depending on your decision, you may choose to quickly complete one to two credit courses that target specific areas for improvement, take free work-at-your-own-pace classes to get ready for college-level math, reading and writing, or enroll directly into college-level classes. Our Advising Centers can provide a quick assessment to help you decide what is right for you.

Common Prerequisites

If you plan to enroll in an upper-division program at SPC or transfer to an upper-division program at a state university in Florida, you will need to complete the state mandated prerequisites required for your major as part of your Associate in Arts (A.A.) degree. This means you will not have to take one set of courses to qualify for admission to one university and another set of courses for another university. Limited-enrollment programs may have GPA requirements, but course requirements will be the same across Florida institutions. You can find the requirements for about 250 university majors and

ACADEMICS POLICIES

track your progress toward completion through the A.A. transfer evaluation tool on the FloridaShines website at **floridashines.org**.

Academic Appeals

Before lodging a grievance or appeal, you are encouraged to seek an informal resolution with the employee in the department or course faculty directly responsible for the service or department of instruction. If the matter is not resolved during the informal process, you may file a formal grievance or appeal using the appropriate steps provided at **spcollege.edu/appeals**. When submitting a grievance or appeal, please provide as much information and documentation as possible. For detailed information see Board of Trustees' procedure P6Hx23-4.36 (Student Grievances and Appeals), P6Hx23-4.46 (Program-Based Good Academic Standing, Academic Warning, Probation, Suspension, and Dismissal), and P6Hx23-4.461 (Academic Affairs: Academic Honesty Policies). Visit web.spcollege.edu/botrules for more information.

Academic Honesty Policy

SPC expects you to be honest in all of your academic work. By enrolling at the college, you agree to adhere to high standards of academic honesty and integrity and understand that failure to comply with this pledge may result in academic and disciplinary action, up to and including expulsion from the college. As a member of the college community, you also have an ethical obligation to report violations of the SPC academic honesty policies you may witness. Students must be aware of their course's Generative Al policies within their course syllabus and ensure all use of AI Systems adhere to principles of fairness, transparency, accountability, and privacy. See Board of Trustees' College Procedure P6Hx23-6.9018. Visit spcollege.edu/student-rights.

Academic Standing Policy

Good academic performance and a clear path to the finish are keys to your success at SPC. These policies, which apply to all students, have been put in place to help you stay focused on your goal and get you back on track if you falter. All degreeseeking students enrolled at SPC must adhere to the Academic Standing Policy.

Visit spcollege.edu/student-rights.

Course Load

The maximum course load is 18 credit hours in regular Fall and Spring terms and 12 credit hours in the Express and Summer terms. SPC has developed the Credit Hour Commitment Model to help you determine the appropriate course load for each term. For every one credit hour enrolled, 48 hours of time should be committed. This commitment includes both time spent in class as well as time spent completing assignments and preparing for coursework. For example, a 16-week three credit hour class would require 144 total hours of commitment or nine hours for each of those 16 weeks. Classes that meet for less than 16 weeks will require larger weekly time commitments. Please see the table below. You should consider work, family, and other responsibilities when determining the appropriate course load.

Session Type	Credit Hours	Total Hour Commitment	Weekly Commitment
16-week	3	144	9 hours
10-week	3	144	14.4 hours
8-week	3	144	18 hours
5-week	3	144	28.8 hours

Repeat Policy for College Credit Courses

You may repeat a course once for which a grade of "C" or higher has been earned. Retaking the course may be allowed if it is required for: (1) teacher recertification, (2) specifications of a regulatory agency, (3) licensure, (4) program requirements, or (5) it is to replace credit earned through examination, i.e. AP, IB scores. Repeating a course to meet program requirements must be for either the purpose of improving the grade to be considered for admission to a specific program or a significant length of time has elapsed since the course was originally taken and you need to update your knowledge to meet current program requirements. Under this provision, the highest grade earned will be used in computing the average GPA.

You may request to repeat a course following the appropriate steps at **spcollege.edu/student-rights**. See BOT Procedure P6Hx23-4.15 at **web.spcollege.edu/botrules** (Sec. I).

When you attempt a course for the third or more time, you will pay the full cost of instruction

ACADEMICS POLICIES/ REGISTRATION

(defined as the out-of-state tuition and fees rate). You may appeal the full cost provision on the basis of extenuating circumstances and on an individual basis related to financial hardship.

You may file an appeal using the appropriate steps provided at **spcollege.edu/appeals**. Be advised that on the third attempt, students MAY NOT receive a grade of "I," "W," or "X," but must receive the letter grade earned. See BOT Procedure P6Hx23-4.15 on **web.spcollege.edu/botrules** (Sec. II).

Incomplete Policy

If you are given an incomplete (I) you will have until the end of the next full 16-week term to complete the remaining requirements and receive a permanent grade, or the grade will convert to an "F." This means if you receive an incomplete at the end of Term I, you must complete the remainder of the course work by the end of Term II. The only exception to the time frame is for an "I" granted at the end of Term II. In that instance, you would have until the end of the next 16-week term, which would be Term I of the next academic year. See BOT Procedure P6Hx23-4.15 at web.spcollege.edu/botrules (Sec. IV).

Voluntary Audit/Withdrawal Policy

You must choose the option to audit a course before the end of the drop/add registration period. You may elect to withdraw voluntarily from a course through the last day to withdraw with a final grade of "W." These dates are listed in the academic calendar on the college's website. If you voluntarily withdraw after the last day to withdraw, you will receive a grade of "WF."

If you are a financial aid recipient and are thinking about dropping classes, please consult an advisor to make sure you understand the academic and financial consequences.

Visit spcollege.edu/student-rights.

FINANCIAL AID

Financial Aid

Not sure how to pay for college?

Financial Assistance Services provides guidance on grants, scholarships, student employment, and loans to help pay college expenses. Below is a step-by-step list of all things financial aid – how to apply, receive and keep it. Download a PDF version at **spcollege.edu/financial-aid**. You can also see up-to-date information on a range of topics, upcoming important dates and announcements or watch instructional videos.

Financial Aid Eligibility

Students must have a high school diploma or GED certificate. To qualify for financial aid, you need to be a degree-seeking student in a financial aid eligible program. Some certificate programs of 16 credit hours or more qualify. Federal financial aid can only apply to the first 30 remedial credit hours attempted. Visit **spcollege.edu/financialaideligibility**.

FSA ID (Federal Student Aid ID)

An FSA ID is your electronic signature for federal student aid and gives you online access to your U.S. Department of Education records. You must create an FSA ID username and password before beginning to complete the FAFSA. It only takes a few minutes, allows some data to autofill and could prevent processing delays. Visit **studentaid.gov**. If you are a dependent student, at least one parent will be a contributor and must create an FSA ID. If your parents filed their tax return as Married Filing Separate, then both parents will need to create a FSA ID. If your parent does not have a social security number, they still must create an FSA ID. If you are married and filed Married Filing Separate, your spouse will be a contributor and must create an FSA ID.

FAFSA (Free Application for Federal Student Aid)

This is your application for financial aid at SPC. SPC's School Code is 001528. Priority consideration is given to students who apply by May 1. The earlier you apply, the more funds you could be eligible to receive. The information you provide determines whether you qualify for federal, state, and college grants; some scholarships; federal work-study and student loans. Visit **studentaid.gov**.

Apply for funds you don't have to repay

Scholarships require completion of applications from scholarship donors. Completion of the FAFSA is recommended for scholarships that are awarded based on need. Don't let a letter of recommendation or essay requirement stop you.

Visit spcollege.edu/scholarships.

Student employment positions are available at all campus sites and off-campus all year round. Apply early for limited positions in Federal Work Study, America Reads, America Counts, or as a Student Assistant.

Visit spcollege.edu/studentemployment.

Check your Financial Aid Status and MySPC student email regularly

Log in to **Titan Hub** and then select MySPC. Use your SPC email and password to log in. If you are unable to log in, contact the Help Desk at 727-341-4357

Two to three business days after you submit the FAFSA, review your **Action Items** to see requested documents, if any. Respond to all requests in a timely manner. Most documents can be submitted online. **Do not submit original documents unless you are requested to do so.** If you are asked to submit tax documents, you may get **official IRS Transcripts** from **irs.gov**. **Your file will not be complete until all requested documentation is received and processed by our office.**

ALL OFFICIAL COMMUNICATIONS ARE SENT TO YOUR MYSPC STUDENT EMAIL.

This is not the same as your Canvas email account. You may choose to forward your MySPC student email to your personal email. It is also your responsibility to keep your home mailing address and phone number current on the Personal Information tab.

Calculating your Financial Aid Award Package

Only classes that are within your current degree program are considered when determining your federal aid package. Federal and other types of financial aid are based on financial need. Using the data collected on the FAFSA, financial need is calculated as follows:

Cost of Attendance less Student Aid Index = Financial Need

spcollege.edu/financial-aid

FINANCIAL AID

We use this formula and individual fund requirements to determine your financial aid awards. All financial aid, excluding loans, is accepted on your behalf.

You must report all offers of financial aid not previously reported such as federal and state grants, scholarships, waivers, fellowships, assistantships, certain Veteran benefits, Americorps, Federal Work Study, loan, and any other educational benefits paid to cover expenses because of enrollment or any changes to your financial situation to Financial Assistance Services. In addition, post-enrollment awards, graduation awards, athletic grant-inaid funds, books, travel expenses and per diem, stipends, gift cards, prizes, etc. must be included as part of a student's financial aid package.

Financial aid award packages are projected at fulltime enrollment and will be adjusted based on actual enrollment. If you change your class schedule, the amounts and types of financial aid awards are subject to change. Visit **spcollege.edu/financialaid-award-package**.

If you attend less than full-time during any term, your Cost of Attendance and financial aid award amounts will be adjusted. This could result in a reduction or removal of loans or other financial aid. Visit spcollege.edu/reduction-or-removal-of-financial-aid.

Determine if student loans are necessary

REMEMBER: Student loans must be repaid!! Don't borrow student loans if you don't have to. If you need to borrow, borrow only what you need. To qualify for student loans, you must be enrolled in at least six credit hours required for your current degree program. Log in to **Titan Hub** and then select MySPC to review your awards and decline, reduce or accept the loans offered to you. This step must be completed before your loan will be applied toward your student account. If you are a first-time student loan borrower, you must complete Loan Entrance Counseling and a Master Promissory Note. Stay in contact with your student loan servicer to stay on top of what you owe and remember that on-time repayment will help you establish a good credit rating. Visit spcollege.edu/loans.

Book Line of Credit (BLOC)

If your financial aid exceeds your tuition and fee charges, you may charge up to \$800 in books, course materials, supplies, and equipment at campus bookstores. The amount of your BLOC is based on projected financial aid that will be

refunded at the end of the third week of your classes. The bookstore will have your information on file and will apply your available BLOC charges against your student account.

Visit spcollege.edu/book-line-of-credit.

First Day Book Program

The First Day Book Program brings course materials to students on the first day of class at a discounted rate. To use the program, log in to Canvas, select the course materials and follow the steps to access your eBook and labs. SPC will apply your First Day Book Program charges to your student account. You can opt out and purchase materials elsewhere if you choose. The opt out deadline is one week after the first day of class. If you opt out, you are responsible for purchasing the materials for the class. Visit **spcollege.edu/first-day-book-program**.

Receiving Funds

You begin receiving financial aid refunds at the end of the third week of classes of the earliest session in which you are enrolled. If you are enrolled only in Express Session or Second 8 Week Session, your financial aid will be refunded at the end of the third week of that session. It is your responsibility to understand the attendance policies of all classes in which you are enrolled.

If you do not drop a class before the Last Date to Drop with a Refund, you will owe the college tuition and fees for that class. Visit

spcollege.edu/last-date-to-drop-with-a-refund

SPC deducts tuition, fees, the Book Line of Credit and the First Day Book Program charges from your financial aid award amount. If your award amount is less than the cost of tuition, fees, the Book Line of Credit and the First Day Book Program, you must

spcollege.edu/financial-aid

FINANCIAL AID

pay the difference by the tuition due date.

Any Federal, State, institutional or external source of financial aid, as well as any student fee refunds, will be applied to any outstanding balance on my account, including past-due balances, bookstore charges and other financial obligations, in accordance with the rules of those funds. Visit spcollege.edu/receiving-financial-aid.

Disbursements and Refunds

Disbursements occur when SPC receives federal. state, or other funds on your behalf. These funds are disbursed to your student account to cover your tuition, fees, the Book Line of Credit and First Day Book Program charges.

Loan disbursements – If your loan is for fall and spring, it will be disbursed in two payments, one half during the third week of your fall enrollment and one half during the third week of your spring enrollment. If your loan is for one term only, the entire loan will be disbursed in one payment during the third week of your enrollment for that term. Refunds occur when the amount of the disbursements received on your behalf is greater

than, or in excess of, the amount owed for tuition, fees, the Book Line of Credit and First Day Book Program charges. If a charge is added to your student account after your refund has been released, you will be responsible for paying the balance. Visit spcollege.edu/financial-aid-refunds.

BankMobile Disbursements

Excess funds are refunded to the refund option choice you make with BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit https://disbursements.bmtx.com/ refundchoices/.

Satisfactory Academic Progress

Financial aid recipients must be moving through their current academic degree or certificate program at a reasonable rate and be making progress toward their degree to continue receiving aid. Your Completion Ratio and Maximum Time Frame are calculated to determine a "reasonable rate." Your Minimum Cumulative Financial Aid Program GPA is calculated to determine "making progress." Visit spcollege.edu/sap.

Withdrawina

Withdrawing from a class or all of your classes can have serious financial and academic consequences. 47

Make sure you understand the consequences of this decision. If you receive federal financial aid, withdrawing from all classes may require repayment of unearned funds. It can affect your Satisfactory Academic Progress status and future enrollment. In addition, eligibility for future financial aid can be affected, regardless of which school you attend. The date you withdraw from a class is also a factor in determining your grade for that class. Before making changes to your enrollment, speak with a Financial Aid Counselor or an Academic Advisor to understand the impact of your decision. If you have a balance due from dropping or withdrawing from a class or classes or withdrawing from all classes, you must pay that balance. You may be sent to collections for failure to repay.

Visit spcollege.edu/withdrawals.

Appeals Process

SPC values due process and fundamental fairness in its policies and procedures. Students may appeal certain determinations made and actions taken by the college according to the **Board of Trustees Student Grievances and Appeals Procedure**P6Hx23-4.36 located at **spcollege.edu/BOTrules**. An appeal is a formal request asking for a change in a determination made or actions taken by the college; when submitting a grievance or appeal, please provide as much information and supporting documentation as possible. For additional information on appeals and to submit an appeal online, visit **spcollege.edu/appeals**.

Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges to disclose information about campus safety and crime. SPC complies with the Clery Act by publishing an Annual Security Report each year, available no later than October 1st. The Report contains important information about security-related policies and crime statistics for each SPC location. Please visit https://www.spcollege.edu/current-students/student-affairs/student-right-to-know to learn more about security policies at SPC and to access the current Annual Security Report.

We are committed to providing prompt and fair resolution of all student concerns and strive to make the process of communicating such concerns as easy as possible. We take these concerns very seriously and the information below outlines this process. Examples of student complaints related to this policy include matters relating to college facilities (services received, facilities, etc.) or other services such as the college bookstore, student services, or campus cafeteria. - Your complaint will be routed to the appropriate department and you will receive confirmation of receipt within 24 hours (not counting days the college is closed) that the complaint has been received.
- 4. The complaint will be processed and you will be notified of the resolution in writing.

Academic appeals and student grievances are not considered complaints and should be lodged through the formal student grievance/appeal process found in P6Hx23-4.36 located at **spcollege.edu/botrules**. If you have an academic grievance or appeal, please utilize this process. Drug-Free Campus and Workplace – Drug and Alcohol Prevention Program

St. Petersburg College ("College") is committed to providing a safe academic and workplace environment in compliance with the provisions of the Federal Drug-Free Schools and Communities Act of 1989 and the Drug-Free Workplace Act of 1988, applicable local, state, and federal laws, rules, and regulations. Possession of alcoholic beverages is prohibited when it violates state and/or federal law or alcohol is present at college sponsored events and the event is not authorized by the College. These actions are prohibited at or on any campus or center of the College, or at any Collegesponsored or College-affiliated activity or event. The College's Drug and Alcohol Abuse Prevention Program describes: 1.) The applicable legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol. 2.) The health risks associated with the use of illicit drugs and the abuse of alcohol. 3.) drug or alcohol counseling, treatment, or rehabilitation or reentry programs that are available to employees or student. 4.) The disciplinary sanctions the College may impose. Sanctions for violations may include, in severe cases, suspension and dismissal from the College, as well as criminal penalties related to Florida Statute Chapter 893 and/or any applicable state or federal laws. Smoking and/or the use of any tobacco is prohibited in all College facilities and on all College property, without exception, including but not limited to, all buildings and portions of buildings owned or leased by the College, including, without limitation, atria, entry ways and enclosed hallways within buildings. Outdoor areas include, but are not limited to, parking lots, grounds, rooftops, plazas, courtyards, entrance and exit ways, and any other areas of the College campus. Reporting Abuse of a Minor

Under Florida Law, all persons have a legal obligation to report suspected instances of child abuse, neglect or abandonment, regardless of whether an alleged perpetrator is the child's parent, legal custodian, caregiver or other person responsible for the child's welfare. Get more information on reporting obligations at the Florida Abuse Hotline (1-800-962-2873) or online via the website Florida Department of Children and Families website.

In addition, Florida college administrators are obligated to timely report, under penalty of law, any knowledge or reasonable suspicion that an abuse, neglect or abandonment of a minor has occurred on college property or during a college sponsored activity, event or function. All students and employees who have knowledge of, or have reasonable cause to suspect, the abuse, neglect or abandonment of a minor on campus must report such knowledge or suspicion to Campus Security (727-791-2560) and to the Campus Provost, and as may be appropriate, to the Florida Abuse Hotline. Remember, if there is an emergency, first dial 911 for emergency assistance, and then Campus Security. Failure to properly report may result in substantial institutional sanctions and employee discipline.

For more information regarding the definitions of abuse and neglect, sanctions for non-compliance, and reporting obligations of college employees, please see the Board of Trustees' College Procedure at P6Hx23-2.014.

Reporting Incidents

There are several ways to report an incident on campus. If the incident is life-threatening or emergency services are needed, call 911 and provide them with a description of the incident, where you are located, and your contact information. If possible, have someone else contact SPC Security Dispatch at 727-791-2560 and report the incident as well.

For non-emergency issues, please call Security Dispatch directly at 727-791-2560, and a security officer will contact you.

Safety in Private Places Act – Restrooms and Changing Facilities Usage

Florida law requires Florida's public colleges to provide restrooms and changing facilities exclusively for males and females, based on biological sex at birth, and unisex restrooms designed for a single occupant or family. St. Petersburg College provides both exclusive male and female designated restrooms and changing facilities, as well as limited numbers of unisex restrooms and changing facilities, in accordance with the law. For more compliance information and possible disciplinary action, refer to College Procedure P6Hx23-6.01
