

Health Services Administration **BACHELOR of APPLIED SCIENCE**

ADMISSIONS GUIDE

ABOUT THE PROGRAM

The Health Services Administration program offers an online bachelor's degree for those who want to move up in their current health care career. All our associate degrees in health transfer to this degree, which can lead to entry level-managerial positions or career advancement.

Admission Requirements Checklist

- New** students must complete the St. Petersburg College Admission Application and pay the non-refundable fee. **Returning** students must complete the online Readmission steps in MySPC if you have not enrolled in the previous six semesters. [Admissions and Readmissions](#)

A secondary Health Program Application is required for limited access Health Programs. See link below.

- Submit official, unopened (sealed) high school or GED transcripts indicating completion of standard high school diploma or equivalency. We do not accept unofficial copies or official copies that have been opened. Applicants who have earned an Associate in Arts, Associate in Science, Associate in Applied Science, Baccalaureate, or higher degree from a regionally accredited institution are waived from this requirement. **Transcripts must be received and evaluated by St. Petersburg College prior to the application deadline to ensure consideration.** [Submitting Official Transcripts](#)
- Submit official, unopened (sealed) transcripts from all regionally accredited college(s) and/or universities currently or previously attended. We do not accept unofficial copies or official copies that have been opened. **Transcripts must be received and evaluated by St. Petersburg College prior to the application deadline to ensure consideration.** [Submitting Official Transcripts](#)
- Students must demonstrate they are at college level in Writing, Reading, and Math either through appropriate test scores or through appropriate course completion.

Accessibility Services

St. Petersburg College is committed to providing quality education and services to all students by ensuring that admission, academic programs, support services, student activities, and campus facilities are accessible to and usable by qualified students with disabilities. Each specific health program has its own technical standards (essential functions) which all students must meet with or without an accommodation(s). To help students achieve success, Accessibility Services works with students, faculty, and staff to coordinate the provision of reasonable accommodations. To put your accommodations in place, please contact the Health Education Center (HEC) Accessibility Services (AS) at 727-341-3432 or <http://go.spcollege.edu/Accessibility/> even if you are registered with another campus.

St. Petersburg College is committed to equal access/equal opportunity in its programs, activities, and employment. For additional information visit [SPC EAEO](#).

GRADUATION REQUIREMENTS

HSA students are required to secure a mentor and site that will afford them the opportunity to experience management, leadership and/or administrative roles/expectations aligned with their career interests. Additional information will be included in the online orientation for newly admitted students.

B.A.S. Health Services Administration Program of Study

B.A.S. General Education Requirements can be viewed in SPC's Program of Study for the [Associate in Arts \(GEN-AA\)](#) degree program.

***ENHANCED WORLD VIEW:** Complete at least one 3-credit course intended to enhance the student's world view considering an increasingly globalized economy.

This course may also be used to satisfy another General Education Requirement (Humanities and Fine Arts)

****CIVIC LITERACY:**

Students entering an A.S. Degree program in the 2022-2023 academic school year, or thereafter, must demonstrate competency through successful completion the Civic Literacy requirement.

This may include a course and exam, or an alternative accelerated mechanism.

This course may also be used to satisfy another General Education Requirement (Social & Behavioral Sciences)

Please view additional details on the [FCLE](#) webpage.

***** FOREIGN LANGUAGE:**

If students have not completed two consecutive years of the same foreign language in high school or 8 credits in college, students will need to complete 8 credits of foreign language **before completing the Associate in Arts (AA) and baccalaureate programs.** (Note: Some students may be able to test out of the 2 year/2 semester language requirement if fluent in a certain language; contact SPC's Testing Center for additional information).

Transfer Coursework

It is the student's responsibility to ensure transfer coursework meets SPC course requirements. Transfer courses for which there is no direct SPC equivalent will be posted as elective credit and designate with a '999' course number. If you believe a course posted as an elective should satisfy a degree requirement, you may submit a request for an Alternate Satisfaction. To initiate the alternate satisfaction request/review process: Complete the **Alternative Satisfaction Survey** at <https://web.spcollege.edu/survey/21215>.

Before you begin completing the survey, be sure to have the following available:

- Course name and course number of the course taken at the former institution
- Official or unofficial copy of the transcript from the former institution to upload
- Syllabus of the course you completed and wish to use to satisfy an SPC course

Questions regarding transfer credit evaluation should be directed to transcript.evaluator@spcollege.edu

Please use your SPC Student email and include name, student number, course prefix and number, title, and term/year it was completed as it appears on your original transcript.

Please note, all information in this guide is subject to change.

* Additional general education coursework may be required to complete the degree.
