

MINUTES
Building Arts
Jan. 25th, 2022-Zoom

Date of Meeting:

Members Present:, Sidney Martin, Natavia Middleton,
Tom Burket, Joe DiPasqua,

Members Excused: Joe Hammond, Joseph Benavides, Marilyn Brown, Robert Hudson Nicholas Smith

Others present: None

Call to order: 4:02 pm

Previous Minutes Approved:

Accepted by consensus

Unfinished Business:

Schedule future meeting (Sid) March 22nd at 4:00 pm (change back to 4:00 pm instead of 5:00 pm)
Set CC/CR building open house (Sid) date in April (April 6th)
Provide summary states for publication (Sid)

Program Updates:

- Enrollment was discussed as there are 70+ students in 2021.
- We needed to pause design courses to fall
- Field Survey Technician degree is progressing for fall of 2022.

Subcommittee Reports:

None

Student Update:

None.

Career Outreach Specialist:

We appreciate your support of our students

New Business:

Vision and Guidance – Looking for the advisory group to provide this guidance
Celebrating Engineers Week, volunteers/topics (engineering on display) We have a number of activities planned
Site visits – We have tours planned for February 24th and 25th
Students looking for work – posting and sharing these
What should the future of the Building Arts program be? Are we meeting the local industry needs?
Next meeting: April 22nd, 5:00 pm

Industry Updates & Discussion:

- There was a suggestion that we hold meetings twice next semester and early in the fall of '22. A meeting at that time could decide to have a fourth meeting planned in fall '22
- The Engineering Technology advisory board suggested having an open house at the CC building again in April to see classrooms in action.
- There was request for Sid to send out a flyer announcing the new surveyor technician certificate

Program Needs:

- We are still looking for architects to teach

Meeting Adjournment: Called for at 4:50 pm
